AMENDMENT UNDER 37 C.F.R. 1.112

In response to the Office Action mailed February 26, 2003, Paper No. 9, in the application identified above, this amendment is submitted.

Because Paper No. 9 set a shortened statutory period for response of one month from the mailing date of February 26, 2003, and said period is less than the minimum thirty day period set forth in 35 USC 133, the period set for reply is deemed to expire on March 28, 2003, not March 26, 2003.

The following amendment employs the format set forth in "Revised Format of Amendments" attached to Paper No. 9. Accordingly, in the response to Paper No. 9, the claims are amended as follows:
